I am a dedicated 3rd-year Software Engineering student with proven leadership experience, having successfully led multiple team projects throughout my studies. Known for my grit, resilience, and optimistic outlook, I thrive under pressure and never back down from a challenge. I am a strong team player; I prioritize collaboration and always prioritize the team's success. As I transition from my studies, I am eager to apply my skills, gain hands-on experience, and grow into a skilled software engineer.
